

The RallyBird Baseball Board Game

SETUP EXAMPLE

This is the random At Bat card Offense set aside for the half inning.

Defense chose this special Glove tile and set it aside here. (Out of play.)

Below is the special Glove tile Defense chose. (Keep.)

Don't forget to place the batter token!

Offense will start by choosing an At Bat card and placing it face down here.

Above are Defense's Glove tiles waiting for Offense to put down an At Bat card. Only then will Defense place the Gloves in the field zones.
